

A weekly **FOOD Club** (Food On Our Doorstep) to provide local families with young children, a range of affordable food including fresh vegetables, meat, dairy and store cupboard ingredients; giving access to quality healthy ingredients and helping to tackle food surplus (All of the produce is from FareShare who redistribute food from manufacturers to people who need it the most.) **FOOD Clubs** prioritise families with 2 year olds that receive free early education and childcare, or who are being helped by a support worker. They can also accept referrals from local Children's Centres and other health and wellbeing professionals. If you are unsure about whether you can apply please contact us: [simon.green@family-action.org.uk](mailto:simon.green@family-action.org.uk)

*"The **FOOD club** is a great way to stop food going to waste and it helps me save money as well."*
