

Rosemary Nursery School and Children's Centre

Learning together - Growing together

Dear Parents/ Carers,

Rosemary Nursery School Closure - 5th January 2021

I am writing in response to the Government's announcement yesterday and the closure of schools. We are aware that it was announced that nurseries can remain open, so we understand why our decision to close is confusing. I want to reassure you that we have made the decision in consultation with our Governing body, staff and parents and deliberated over several options before we came to this conclusion. This decision was made with careful consideration of all options.

We understand that there are concerns in our community about the spread of Covid 19, particularly the new variant, and the impact that it is having on you, your family and your loved ones. It is normal to feel like this and it is important to look after yourself and your family both mentally and physically. Encourage your children to talk about their fears and do your best to address them by talking about what is worrying them. This is a difficult period and there are a number of organisations who have published guidance on mental health for children (and adults) which may help you.

Your key person will provide learning opportunities on Tapestry so please can you check your account on a regular basis. Please feel free to upload your learning at home. If you need any help with this, then please call the school.

It is vital that we have up-to-date contact details. Please ensure that you inform the school of any changes to your phone number or email address. This will enable us to keep you informed of any developments over the next few weeks and will ensure that we are able to contact you with current information.

We will keep you updated as we get more information about re-opening.

Finally, thank you for your support and understanding during this challenging time. Our staff are available during lockdown so please do contact us by phone or email if you have any queries.

Kind regards,
Miss Joanne Morgan
