Learning together - Growing together

3rd February 2021

Dear Parents and Carers

We hope you and your families are safe and well.

We are missing seeing so many of you.

The Head Teachers and Governing Body are reviewing our Risk Assessment every week. We are monitoring Covid infection rates closely and meeting with Bristol Local Authority officers every week.

For now, the school remains closed except for the children of key workers and those in particularly challenging circumstances.

We are looking forward to welcoming everyone back when it is safe to reopen.

Zoom meetings with your child's key person

Thank you for joining your child for our weekly Zoom meetings.

Singing really helps develop your child's listening, attention and language skills.

Mental Health awareness week 1-7th February 2021

The theme of this year's Children's Mental Health Week is **Express Yourself**. For more information, please visit <https://www.childrensmentalhealthweek.org.uk/>

There are online resources, top tips and wellbeing creativity ideas.

A learning challenge at home

In school, we ask children to "put their number glasses on" to help them spot numbers in the environment. If you do this at home, will notice numbers everywhere, from the TV remote control to food packaging, letters and magazines. It is good to talk with your child about the numbers you find.

Tapestry

Please feel free to upload photographs of your child's learning and play onto Tapestry. If you need support with this, please call the nursery.

Food Club and Food Parcels

A reminder that you can...

- ask for a food parcel to be delivered to your door
- join the food club – please call or text if you have lost details
- 'help yourself' to food donations at the nursery. This week, we have jars of pesto and face cream available. Please call in advance to find out what is available and to book a time to collect from **outside** the nursery. This is to keep everyone safe.
