

Rosemary Nursery School and Children's Centre

Learning together - Growing together

2nd November 2020

Dear Parents/Carers,

I am writing to thank you for your understanding and support during this difficult time. I am also writing to explain why we closed the nursery and our approach to keeping everyone safe at Rosemary.

As you know, the Governors and Head Teachers made the decision to close nursery for one week from Monday 2nd November 2020. We are due to re-open from Monday 9th November 2020. We made the decision to do this because two staff members tested positive for COVID and seven staff members were advised to self-isolate for 14 days. During this period, one more staff member has tested positive. We are still due to re-open Monday 9th November and we would like to reassure you we have a number of procedures in place to keep everyone safe.

During the COVID 19 pandemic we are...

- carrying out additional hourly cleaning in the nursery classrooms
- washing hands as often as we can which includes before and after children play in the sand and entry into nursery
- wearing face coverings in the entrance and corridor
- changing children's resources from AM to PM daily
- reducing the number of parents from entering the classrooms
- reducing the number of people in each of the nursery rooms
- meeting outside where possible
- using zoom to reduce face to face meetings with parent and maintaining a space between adults

Please can we remind all parents to...

- wear a face covering when entering the nursery building
- maintain social distancing at all times
- arrive and collect your child at your allocated time
- stay away from nursery if you have a high temperature, a new continuous cough, loss or change to your sense of smell or taste or awaiting COVID test results.

We appreciate your co-operation in working together to keep the school COVID secure. Please feel free to contact us if you have any questions or concerns.

We look forward to welcoming you back.

Miss Joanne Morgan
